

Dave is an artist from Brussels of mexican and italian descent. His music is a subtle blend of acoustic samples, rhythms, vocal layers, harmonies and emotion. A coherent and rich combination of rock, latino and electronic influences.

By one single man.

In a new genre: Acoustronics.

SET PROPOSALS

our proposals take into account the fact that no Front-Of-House (FOH)/Personal Amplification (PA) is provided by the venue or promoter and that we will handle all technical aspects.

If not, we would provide you with a quote, taking any possibilities or technical constraints into account.

A hospitality and technical rider can be provided in PDF format.
